- Tanker 2, the 2006 Kenworth power steering gear box had to be replaced with the seals.
- We are implementing Pulsara in May. Pulsara is a secure, user-friendly app that unites the entire care team, even across different departments or organizations. By replacing multiple phone calls, radio reports, faxes, and pagers with one unified patient channel, Pulsara streamlines workflows, leading to reduced treatment times and enhanced experiences for both patients and caregivers. The cost is free and we will be implementing it in May.

Motion made by Norman Brodeur to approve Chief report, with a second to the motion by Robert Hotmer. Motion approved 5-0.
